HAWAIIAN OFFICERS ARE APPREHENSIVE

Fear Arrival of Japanese Cruisers May Cause Demonstration by Strikers.

HAVE TAKEN PRECAUTIONS.

No Reply Received to Appeal to Ambassador Takahira Concerning Scizure of Papers.

Honolulu, June 16 .- With the leaders awaiting a reply to their appeal to Amhassador Takahira at Washington to make the arrest of four Japanese editors and the seizure of their papers last week by the territorial authorities the subject of an international inquiry, here has been no further developments the Japanese strike situation. Small groups of Japanese have returned to work unmolested on some of the planwork unmotested on some of the parameter that it is and numerous conferences were held today by the leaders whose prelining examination on the charges of conspiracy, will begin Friday morning. conspiracy, will begin Friday inorming, But aside from these and efforts made by the interested parties to bring about y settlement of the differences between the planters and their employes, which, however, were in vain, there was no mange in the local situation today. Precautionary measures taken by the police have not been relaxed, but so ar there has been no indication of disfar there has been no indication of disorder on the part of the strikers, who, while much incensed over the agrest of their leaders, are conducting themelves peaceably. The authorities, however, are apprehensive that the coming of the Japanese cruisers Aso and Soya, although a price in a few days from the suparties in a few days from attle, will be made an occasion for demonstration on the part of the

demonstration of the part of the rikers. The mass of them are ignorated and it is said have been led to been that the coming of Rear Admiral that the coming of Rear Admiral that the coming of the rest beginning in the company of the rest beginning in the common that the ichi's squadron has some bearing up-the strike situation. Both the coming of the Japanese Both the coming of the Japanese training squadron and that of the cruiser St. Louis, which also will arrive at Honolulu in a few days, is in accordance with a schedule arranged many weeks ago by the navy departments of the two countries. This, however, is not being told the general strikers by their leaders, who are taking advantage of the occasion and are weaking use of the coming of the Japanaking use of the coming of the Japan-se ships to get their followers to stand rm in their demands for higher wages

and not return to work.

Renewed threats, it is said, have been made against M. Sheba, editor of a popul conservative Japanese paper, who populsed the strike. He has requested posed the strike. He has requested police to furnish him with a body

MADAM JUMEL

"Any old design" in silver tableware should not satisfy one any more than "any old gown" or "any old hat" should please a lady of fine

Large salaries are paid artists to design table silver and only one in many attempts to produce a masterpiece succeeds commercially when placed on the market. The splendid features of weight and strength combined with grace and beauty of line and finish make the "Madam Jumel" silver a masterpiece indeed and adds a charm to the table rarely produced by other patterns.

"Madam Jumel" silver can be bought in Salt Lake only of us and this is an added guarantee of its worth. The prices are so attractive (see below) that an acquaintance with "Madem Jumel" costs little.

While smoking a cigarette in a saloon the shoriff entered and placed him under arrest. Haywood protested against such action, but the sheriff was firm. Haywood was again released under \$15 bond.

SAWTELLE SOLDIERS' HOME INMATES WILL WALK OUT

Los Angeles, Cal., June 17 .-- One hun-Los Angeles, Cal., June 17.—One hundred and fifty immates of the soldiers' home at Sawtelle said last night that they will leave the institution the day on which their pension money is available, because of the scarcity of food on the tables of the institution. Other grievances are stated, but short rations cause the principal one.

Gov. T. J. Cochran of the home says he is willing to admit the food supplied.

he is willing to admit the food supplied at the home is low, but he alleges that the apropriation for the home has been cut down by Congress, while the num-ber of inmates has increased, and that yesterday he had on hand a fund of but \$42 to last the commissary depart-ment until July 1.

LA FOLLETTE'S SPEECH IS TREMENDOUSLY LONG

Washington, June 17.—The speech which Senator LaFollette delivered in the senate on the tariff in course of the three days of June 2, 3 and 4, is printed in the Congressional Record. It covers 217 pages of the Record. This is not the longest speech ever delivered in the senate, John A. Logan's effort in the Fitz-John Porter case having exceeded it in length, but there has been no address in the upper house in recent years that approached it in amount of printed space filled.

PRINCESS DE SAGAN MUST PAY FOR PEARL NECKLACE

Paris, June 17.—Princess de Sagan, formerly Anna Gould, and later the Countess de Castellane, appealed some time ago in the court of cassation against the judgment of a Paris court which directed her to pay \$24,000 to Mme. Wimidoff as the price of a pearl necklace which the Count de Castellane necklace which the Count de Castellane bought before her divorce from him and which, she assents, she not only never received, but never even saw. The chamber of petitions of the court has now rejected the peal of the princess upon the report of Counselor Leteler, and concurring in the conclusion of Advocate-Genral Fouilleley.

CIGARETTE SMOKING IN NAVY.

Admiral Schroeder Desires to See Ban Placed on Habit.

Washington, June 17.—Cigarette smoking by the enlisted men of the United States navy should be discouraged as much as possible in the opinion of Rear Admiral Scaton Schroeder, commander-in-chief of the Atlantic battleship fleet.

Admiral Schroeder desires to see the han placed upon the habit and here

ban placed upon the habit and has recommended to the secretary of the many that no cigarettes be sold at the ship's store on any of the vessels un-der his command.

der his command.

It is probable that Secy, Meyer will take action in accordance with Admiral Schoeder's recommendations.

Admiral Schroeder began his observations as to the effect of cigarette smoking by the jackles at different times while he was executive officer on several ships of the navy. He believes that cigarettes impair the health of the men and do not in any way tend to increase their efficiency for duty.
